expenditure submitted with the letter quoted above it will be seen that out of the Special grant of Rs 10,000/- a sum of Rs 8293-1-7 has been spent leaving a balance of Rs 2206 14-5 Whereas the liabilities immediately to be paid amount to Rs 5334-4-0 Under instructions from the Plague Commissioner who is of opinion that the accommodation already made for the Segregation Camp is inadequate, a larger number of sheds are being built. Besides, the Municipality has to incur expenditure on various other items connected with Preventive measures so that the necessity for the Rs 10,000/- applied for is pressing
